

Governor Palin, Can we have an OPEN discussion on fair wages?

Governor Palin's Political Appointees salary compared to regular State Employee salaries and the Consumer Price Index of Anchorage

Based upon a Supervisory Unit Range 20, Step A, statutory salaries of Commissioners and the Anchorage Consumer Price Index, All Urban Consumers

We are your staff. We are professionals in our fields. We are as invested in Alaska as you are. Our wages aren't keeping up with inflation, or your political appointees.

Governor, we believe we are worth at least half the raise your political appointees have received.

Please direct your negotiating team to offer competitive wages to our members, to do what is right for the thousands of public employees who work hard every day for you.
