

Dear Supervisor,

The SU Labor Management Committee on Training wants to remind everyone that it will provide scholarships for attendance in the Certified Public Manager program. This is just a reminder of the notice we sent in October.

For more information about the nationally recognized CPM Program, go to:

http://www.akml.org/index.asp?Type=B_BASIC&SEC={6D474B13-2F29-4F7A-8BF7-4B6CC4469F26}

For your convenience, contact information for each campus are listed at the end of this e-mail.

The LMC will pay for up to 4 days of classes: two days in the Fall semester and **two days in the Spring semester**. Requests to have the LMC pay for classes in the fall semester must be received by November 15th. We will re-send an announcement for the spring semester.

SU LMC funds may not be used to pay the one-time CPM enrollment fee for those who choose to apply their course work toward a Certificate of Public Management.

To request authorization to attend:

1. Select which class(es) you wish to attend.
2. Send an e-mail request to APEA/AFT (asmith@apea-aft.org) that includes your name, the date, location and title of the class. Please include a phone number for questions and a fax number or physical address so that APEA/AFT send you an authorization letter.
3. APEA/AFT will provide you with an authorization letter that states the LMC will pay for the class(es) listed in the letter.

An authorization letter does not register you for the class. To register, you must use the normal CPM registration process.

If you have any questions, please contact April Smith at APEA/AFT 586-2334 or 800-478-9991. April can be reached via e-mail at asmith@apea-aft.org
